Digital Skills: Embracing Digital Technology

On this course, you'll learn about the digital technologies you can use to make your life, work and study easier.

From email and messaging to social media, you'll discover digital tools for communicating and searching, and explore the creative possibilities offered by digital technology.

You'll learn why and how to stay safe online, how to find trustworthy content, and the importance of how others perceive you online.

You'll also learn how to use the internet to search and apply for jobs, and explore how online communities can help you in a variety of situations. Duration **4 weeks** Weekly study **3 hours**
